JEWS CELEBRATE ATONEMENT

Most Important Jewish Holy Day Observed Saturday, October 4th

On Saturday, October 4th, the Jews will observe the Day of Atonement. This Holy Day is the most sacred and important in the Jewish calendar and is kept solemnly as a day of fasting and prayer by all the Jews of the world It begins at sunset, Friday night, October 3rd, and ends with sundown on the following day.

The Day of Atonement brings home with great emphasis and force the doctrine of sin and repentance, which is the basic principle of all religions. Just as the birth of the altruistic spirit marked the point of departure between man and animal, so the development of the doctrine of repentance marks a turning point in the history of the human race. Judaism has canonized this moment of history which saw the birth of new hope for human progress.

Judaism holds that man has the God-given power of repentance. Fate plays no part in man's life. The Day of Atonement gives eloquent testimony to this fundamental doctrine of Judaism, since it visualizes the fact that the doors of repentance are ever open.

The Day of Atonement is the supreme holy day of the Jewish religion. It touches the heart of all the Jews and exercises upon them an influence unapproached by any of their other important holy days. It is, above all others, the one day on which they lay aside their earthly affairs in order to spend a day of devotion in the house of God amid fasting and prayer.

The Day of Atonement will be observed with appropriate services in the synagogue here beginning at 7:30 o'clock Friday evening and they will be conducted by M. Youngerman, Cincinnati, and services also will be held beginning at 10 o'clock Saturday, and continuing until sundown.

ITALIAN PROBLEM

There is Possibility of all the Balkans Being Drawn Into Dispute

Paris, Oct. 1.—The inflamed conditions in the Adriatic region and the dissolution of the Italian Parliament for the holding of a general election on November 16, as Rome dispatcher announced yesterday, is giving the Supreme Council much concern, in view of the possibility of all the Balkans becoming involved in the turmoil.

In Peace Conference circles the approaching Italian elections are regarded as a struggle between the war and peace parties, or rather between the forces on the military side and those of Socialistic and pacific tendencies.

While it appears that D'Annunzio and Fiume will be chiefly in issue the feeling is growing in Paris that as D'Annunzio has indicated that his aspirations include far more than Fiume, the Italian suituation is daily becoming more of an international question, in view of the conditions. the view is expressed here that the agitation might flame into war today, if, for instance, a Jugo-Slav should happen to be killed by Italian troops.

The French troops that were in Fiume have been evacuating that city for several days past, says La Liberte today. The operation, it explains was a long one because of the immense stores of supplies that had to be removed.

STATE AUTOMOBILE LAW

Special Staff of Inspectors Will be Employed to Punish Car Thieves

Richmond, Oct. 1.—When the law passed by the special session of the General Assembly making it an offense punishable by twelve months in jail or a heavy fine to remove the factory numbers from the motors of automobiles in this State goes into effect on December 9, the Secretary of the Commonwealth will immediately appoint a special staff of investigatros to see that the law is rigidly enforced and automobile thieves punished.

For the last two weeks or longer there has been a stream of cars passing through Virginia into North Carolina and South Carolina, from which the factory numbers had been chiseled, declared Chief Clerk James H. Hayes, of the office of the Secretary of the Commonwealth, yesterday.

BLOCKADE IMMINENT

Allies Take Drastic Course to Compel Germany to Leave the Balkan States

The State Department last night made public the text of the drastic ultimatum delivered to Germany by the allies and the associated powers on September 27 demanding that she forthwith withdraw all of her troops now under the command of Gen von ver Goltz from the Baltic provinces.

The ultimatum was sent by Marshal Foch. Since that time Germany has answered evasively so that it became necessary yesterday to carry out the threat of the ultimatum. Although not stated in the statement given out last night, it is understood that the economic blockade of Germany is already under way.

It is evident from the statement that the United States is a party to the plan of coercion against Germany, as the United States is one of the associated powers. In brief, the terms of the ultimatum are that failing the evacuation as demanded the allies and associated powers will prevent any foodstuffs or raw materials from entering Germany and would refuse all financial facilities which the German government is enjoying or which it proposes to seek from the allies and associated powers.

As to the actual blockade, navy officials said last night that inasmuch as the United States has very few ships in the area of blockade the burden of its physical enforcement would fall upon England and France.

NEGRO SMOKED OUT

Alleged Assailant of New Jersey Woman Captured in a Swamp

Mount Holly, N. J. Oct. 1.—The negro for whom 500 armed men had been searching in the woods and swamp land surrounding Rancocas Creek, on a charge that he assaulted Mrs. Mary Notsey, 31, of Merchantville, was captured last night by Detective Ellis Parker, after the torch had been set to the dry bushes in the swamp. The fugitive was literally smoked out of the swamp.

The negro whose name was given as James Whiting, 23, was in a state bordering on collapse from abject fear and because for twenty-seven hours while the man hunt was on. he had been without food.

HEALTH CLINIC OPENS IN THIS CITY

Will Be Under Direction of Dr. R. G. Broaddus For Health Dept.

NEW DEPARTMENT

On Importance of Work Dr. T. B. Leonard Will Address Workers : Large Industrial Plants.

Dr. Louis Foulks, the Health Officer, announces the opening of the City Department of Health Clinic at the Smith Building, 624 King street Because of the urgent need of a place for the proper treatment of venereal diseases, the health department felt it necessary to arrange for this work immediately. Through funds made available by the Interdepartmental Social Hygiene Board together with assistance rendered by the local Chapter of the Red Cross and the City Council, the Department has secured rooms and complete equipment for combating this important public health menace. The clinic will be in charge of Dr. R. G. Broaddus, who devotes his entire time to this special branch of pracitce.

It is the purpose of the Health Office to add from time to time new departments to the clinic, as funds are secured for the purpose, so that finally it will be a suitable place for persons to receive proper treatment for tuberculosis, diseases of childhood and most of important of all, where free milk, properly prepared can be distributed for the ailing babies of the city.

It is regarded as particular fortunate that Alexandria is branching out upon this practical aspect of public health preservation, and Dr. Foulks is intensely interested in this phase of his work.

For the purpose of educating the public in the importance of the clinic, Dr. Thomas B. Leonard, of the Interdepartmental Social Hygiene Board has come to talk at the larger industrial plants in and around the city, so as to acquaint the public with the advantage of attendance at the clinic, when in need of free medical attention.

The clinic hours beginning Thursday will be Monday and Friday—10-11 a. m. 6-10 p. m.

Tuesday, Wednesday and Thursday—10-11 a. m. 4-8 p. m.

Saturday—9-12 a. m.

Rooms 9 and 10, third floor, Smith Building, 624 King Street.

10,000 NEGROES ARMED

Omaha, Oct. 1.—At Twenty-fourth and Lake streets, in the heart of the negro district here, 300 soldiers are stationed Eighteen machine guns are trained down the adjoining streets.

Up aloft an observation balloon from Fort Omaha swings to and fro, while observers in the basket watch for fires that might be started in the negro district.

The negroes are well armed. Negro leaders told the City Commissioners that practically every one of the 10,000 negroes in Omaha was armed and is ready to fight for his life and home. The negroes looted several hardware stores in the north end of the city and obtained additional weapons.

CONDITIONS TURN TO THE NORMAL

Strike Leaders Active to Prevent Defection in Ranks

STRIKE IS A FAILURE

Bethlehem Steel Officials Will Not Deal With American Federation of Labor.

Pittsburgh, Oct. 1.—Taking a leaf from the program of the strikers, the steel companies yesterday sent out canvassers to persuade workmen to return to the mills. Last night they announced that conditions in the various plants were rapidly returning to normal.

The strike leaders were active all day in efforts to prevent any deection and at the same time to extend the strike. Of the situation in the Bethlehem plants, Secretary William Z. Foster, of the strike committee, said: "We claim 80 per cent of a shut down at South Bethlehem, a good response at Steelton, but only a fair response at the other plants of the Bethlehem Company. Here, we are drawing more men from the Jones and Laughlin plants with every hour. Otherwise, the strike situation here and elsewhere is unchanged."

The outstanding developments of the day were:

Mahoning Valley plants reported preparing to reopen. Operations extended in plants of Allegheny, upper Monongahela, and Shenanog Valleys. Strikers reported disheartened by failure to close Homestead, Braddock and Duquesne plants.

Bethlehem Steel plant reports strike a failure. All plants running as usual, with exception of plants in Bethlehem where only 88 per cent of men are at work.

President Grace, of Bethlehem Company, wires Samuel Untermyer he will not negotiate with American Federation of Labor.

William Z. Foster denounced as "parlor Bolshevist" "anarchist" and "a dangerous domestic enemy," by Judge Buffington, of U. S. Circuit Court, in Philadelphia.

Action of Mayor Crawford, of Duquesne, in fining Foster and associates $100 and costs for holding public meeting without permit upheld by Judge Kennedy in Common Pleas Court, Pittsburgh.

A. H. S., TIE WESTERN

Local Team Will Play Randolph Macon Academy at Front Royal Saturday

The Alexandria High School football squad yesterday journeyed to Western High in Washington, where the annual no score practice game was played.

Both teams proved to be in fairly good condition, and honors for the practice were well contested for. Overall the team work of the A. H. S., was superior to that of Western as the opponents front line seldom succeeded in holding out our men.

Nevertheless Western held her ground, attributed to her heavier back field.

The guards and center of A. H. S., did good work in spoiling Western's line plunges and were usually in big mixups. The tackles, Knight and Allen did exceptionally good work and upheld the honor of their positions to the fullest extent.

The ends did fairly good work but could improve; however they are expected to make stars of themselves in the games to come.

The back field did very fine work but it did not make any very extensive games owing to its lightness. However, they ran signals in fine order and about the only urgent necessity is weight.

On Saturday, October 6, the team will proceed to Front Royal, Virginia, where it will meet the strong Randolph Macon Academy team and a well contested game is expected.

FOUR BURN TO DEATH

Workers Caught in Fiery Death Trap When Spark From Engine Sets Barn Ablaze

Meadville, Pa., Oct. 1.—Four men were burned to death Monday afternoon on the farm of Cassius Morms, in Spring township, north of Conneautville, when a spark from a stationary engine set fire to the barn and spread to the silo in which the men were working. The farm residence was also destroyed. The victims were Cassius Morris, 65 years old, owner of the property; Vern Sperry, 65; Fred McBride, 27 and Frank Knorr. All except Knorr leave families.

The four men were working inside the silo filling it, and were about eight feet from the top when a spark from the engine that was cutting the ensilage fired the barn The fire was unnoticed for a short time, and the first the men in the silo knew of it was when a sheet of flame swept over the top. There was no escape. Charred bodies of three of the men were found in the silo and identified after the fire had burned itself out. Knorr's body was not found. The fire quickly communicated to the house which with the entire contents, was burned.

We should have said, "Oh, spare the blow,
And with aching heart should say.
Lord we love her, let her stay."
In love she lived, in peace she died,

The trial is hard, the pain severe,
To part with one we love so dear
But in our hearts she shall remain.

REV. DR. FLEMING DEAD

Hillsdale Pastor Believed to Have Overtaxed His Heart

Baltimore, Oct. 1.—Believed to have overtaxed his heart, by holding two services Sunday night, the Rev. Dr. Robert H. Fleming, 73 years old, pastor of Dickey Memorial Presbyterian Church, Hillsdale, was found dead in bed last night. Indications were that his heart had ceased beating a number of hours before.

Dr. Fleming lived alone in a small house near his church. His wife died in 1900 and his daughter, Dr. Mary Randolph Fleming, is in Persia. The pastor ate his meals at the home of Ralph Arnold, across the street from his lodging. When the pastor did not appear for his meals yesterday, Mr. Arnold with Edward S. Hutton and Harry Arnold, officials of the church, broke into the parsonage through a window and found the body in bed.

Sunday night, after he had held service in his church, Dr. Fleming, at the request of the Rev. O. W. Brinttingham, pastor of Hillsdale Methodist Episcopal Church, held services there, as the pastor was away. Dr. Fleming was installed at Hillsdale on March 17, 1912, and lived a solitary life, spending most of his time in his study with his books. Relatives are said to live in Virginia.

IN MEMORIAM

In loving remembrance of Lula Massey, who died September 30, 1918.

A precious one from us has gone,
A voice we loved is still
A place is vacant in our home
Which never can be filled.
God in his wisdom has recalled
The boon his love had given
And though the body slumbers here
The soul is safe in heaven.
By her sons and daughter-in-law.

LABOR STRIKES ANCIENT

Labor strikes are not the product of the last hundred years, as some people think according to a London paper. They were frequent even in the earliest recorded days.

One of the greatest strikes that the world has ever known occurred in Egypt, in the reign of Cheops, several thousand years before the Christian era.

Cheops ordered a great pyramid to be built in his honor, and while it was in course of construction, it is said that 50,00 workmen downed tools and refused to continue the work.

The reason they gave was that the food with which they were furnished was insufficient in quantity and poor in quality.

The contractors tried arguing with them, and when that failed soldiers were ordered to drive the strikers back to work. Many thousands of them were cut to pieces, while a certain number escaped and fled the country.

The others were compelled to resume their work.

MOBS IMMUNE

Explanation of mob law is that members of mobs are seldom if ever punished, says the Baltimore News. "They gather in town or country, wreak their vengeance without being over particular whether their object is guilty or innocent, shoot, burn, exercise any and every sort of deviltry, disperse and are heard of no more. The authorities now and then make a brave parade of endeavor to punish, but almost invariably the effort ends in threats. And yet it is almost impossible for a mob of several hundred people to come together without the ringleaders becoming widely known. Surely a half trained detective could discover some of them. The trouble seems to be that in the communities where the outrage occurs there is no sentiment that imperatively demands the right kind of prosecution. Take the latest outbreak in Omaha that has shocked the whole country. If the people of that city are as concerned as they ought to be about the affront there to law and decency they could set to work and ferret out some of the men engaged in the riot If this were done and an example made of them, it would have a salutary effect not only in Omaha but elsewhere."

NUXATED IRON

"Say, Doctor, This Prescription Works Like Magic."

Physician Says Nuxated Iron Quickly Puts Astonishing Strength and Energy Into the Veins of Men and Brings Roses to the Cheeks of Nervous, Run-Down Women.

Ask the first hundred strong, healthy people you meet to what they owe their strength and see how many reply "Nuxated Iron." Dr. James Francis Sullivan, formerly physician of Bellevue Hospital (Outdoor Dept.), New York, and the Westchester County Hospital, says: "Thousands of people suffer from iron deficiency but do not know what to take. There is nothing like organic iron—Nuxated Iron, to enrich the blood, make beautiful, healthy women, and strong, vigorous iron men. To make absolutely sure that my patients get real organic iron and not some form of the metallic variety, I always prescribe Nuxated Iron in its original packages. Nuxated Iron will increase the strength and endurance of weak, nervous, run-down folks in two weeks' time in many instances."

MANUFACTURERS' NOTE: Nuxated Iron recommended above by Dr. Sullivan can be obtained from any good druggist with or without a physician's prescription on an absolute manufacturers' guarantee of success or money refunded.

But each of the cities and towns of the State having at the time of the adoption of this amendment a municipal charter may retain the same, except so far as it shall be repealed or amended by the general assembly; provided, that every such charter is hereby amended so as to conform to all the provisions, restrictions, limitations and powers set forth in this article, or otherwise provided in this Constitution.

Notwithstanding, however, anything in this article contained the general assembly may, by general law or by special act (passed as prescribed in article four of this Constitution), depart in any respect (except as otherwise in this section expressly provided) from the form of organization and government prescribed by this article for cities and towns, and may provide, from time to time, for the various cities and towns of the Commonwealth such form or forms of municipal government as the general assembly may deem best; but no form or forms of government authorized by the second paragraph of this section shall become operative except as to such cities or towns as may thereafter adopt the same by a majority vote of its qualified electors at an election to be held as may be prescribed therefor by law. GLAD TO TESTIFY

Says Watoga Lady, "As to What Cardui Has Done for Me, So As To Help Other"

Watoga, W. Va.,—Mrs. S. W. Gladwell, of this town says: "When about 15 years of age, I suffered greatly. Sometimes would go a month or two, and I had terrible headache, backache, and bearing down pains, and would just drag and had no appetite. Then it would last two weeks, and was so weakening, and my health was awful.

My mother bought me a bottle of Cardui, and I began to improve after taking the first bottle, so kept it up till I took three. I gained, and was well and strong, and I owe it all to Cardui.

I am married now and have 3 children. Have never had to have a doctor for female trouble, and just resort to Cardui if I need a tonic. I am glad to testify to what it has done for me, so as to help others.

If you are nervous or weak, have headaches, backaches, or any of the other ailments so common to women, why not give Cardui a trial? Recommended by many physicians. In use over 40 years.

Begin taking Cardui today. It may be the very medicine you need.

A THOROUGH TEST

One To Convince the Most Skeptical Alexandria Reader

The test of time is the test that counts.

Doan's Kidney Pills have made their reputation by effective action.

The following case is typical.

Alexandria residents should be convinced.

The testimony is confirmed—the proof complete.

Testimony like this cannot be ignored

J. B. Mills, marine engineer, 212 S Lee St., Alexandria, says: "I have taken Doan's Kidney Pills off and on many years for backache and other kidney trouble. I have always had fine results. A few of Doan's regulate my kidneys and strengthen my back if it feels at all weak and lame. I get Doan's at the Warfield Drug Store."

Mr. Mills gave the above endorsement, on April 13, 1915 and on March 17, 1919 he added: 'Doan's Kidney Pills are certainly fine. If my kidneys get out of order it only takes a few of Doan's to fix me up."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney pills—the same that Mr. Mills had, Foster Milburn Co., Mfgrs., Buffalo, N. Y.

THIRD NEGRO LNCHED

John Temple, Who Killed Policeman, Shot While in Hospital

Montgomery, Ala., Oct. 1.—John Temple, negro, who last night shot and fatally wounded Patrolman John Barbare and who was wounded by the officer, was shot to death in a hospital shortly after 2 o'clock yesterday morning by a small band of white men.

He was the third negro to die by lynch law within a period of 12 hours. Miles Phifer and Robert Crosky, the latter a discharged soldier, being shot to death by a mob five miles from the city yesterday afternoon.

Still another negro, Bird Astor, who was with Temple when Barbare was shot, was being sought by a posse and it was believed his capture would result in more mob violence.

Don't

Neglect That Tire

They simply can't make tires good enough to prevent tread cuts. And a tread cut means trouble. If neglected the result is a "blowout," sooner or later. The sooner you get an injured tire to us the better—but there's no blow out too bad for us to fix—Right.

To Our Patrons

Alexandria, Va., June 2, 1919.

In line with our progressive banking methods, and to meet the demands of our patrons, we are installing on July 1st, an up-to-date Safe Deposit Department, under the personal supervision of one of our officers.

This has been made necessary from the fact that a large number of our depositors owning Liberty Bonds and other securities desire a safe place for their keeping.

It is our plan to enlarge the number of Safe Deposit Boxes, and make a rental charge to meet the operating expenses of this Department. This charge will become effective July 1st, 1919, and a bill will be sent out at that time to the holders of boxes, and if any desire to make any change we will be glad to have them call before the bills are rendered for the ensuing year.
